SHEILA FORD HAMP

PRINCIPAL OWNER AND CHAIR

On June 23, 2020, Sheila Ford Hamp succeeded her mother, Martha Firestone Ford, as Principal Owner and Chair of the Detroit Lions. From 2014-19, Mrs. Hamp served as one of the team's vice chairs during her mother's ownership.

Mrs. Hamp carries the Ford Family's proud legacy that was first established by her father, William Clay Ford, who passed away on March 9, 2014, after serving as the sole owner of the franchise for 50 seasons (1964-2013). Mr. Ford's ownership grew into a deeply-rooted family tradition that now includes multiple generations of the Ford Family.

At the end of the 2020 season, Mrs. Hamp, with the assistance of President and CEO Rod Wood, Chief Operating Officer Mike Disner and Special Assistant to President/CEO and Chairperson Chris Spielman, laid out a clear vision for the organization. With the goal of establishing the Lions as a workplace built on a collaborative culture, the search for new leadership resulted in the arrival of Brad Holmes and Dan Campbell.

Holmes was named executive vice president and general manager on January 14, 2021 after spending 18 seasons with the Los Angeles Rams (2003-20) in a variety of roles, including most recently director of college scouting. That same week, Campbell, a former tight end with 22 years of NFL experience, including 11 as a coach and 11 as a player, was named the team's new head coach. These key hires, born from Mrs. Hamp's vision for a culture of communication, collaboration and innovation, have helped lay a foundation for success across the Lions organization that will continue to grow heading into the 2023 season.

With a new head coach and general manager solidified, Mrs. Hamp helped elevate the Lions to the national spotlight in her second year as Principal Owner and Chair. Through Hamp's vision, the Lions participated in the NFL's premier behind-the-scenes television series Hard Knocks, which provided an inside look at Lions Training Camp through collaboration with NFL Films and HBO. Detroit carried the momentum of the 2022 offseason into the regular season as the Lions won eight out of their final 10 games to close out the year with a 9-8 record, including a 20-16 win over Green Bay in Week 18 that eliminated the Packers from playoff contention.

In 2022, Mrs. Hamp and Wood also unveiled a new organizational leadership structure that included the

hiring of two new senior positions in Brian Facchini, Chief Communications and Brand Officer, and Lindsay Verstegen, Chief People and Diversity Officer. The revamped leadership team has since set out to begin establishing long-term goals for the Lions that focus on football and organizational excellence, fan engagement, brand reputation and stadium experience. In 2024, Hamp and the Lions leadership team will once again work to highlight Detroit on the national stage as the city prepares to host the 2024 NFL Draft.

During her first year as Principal Owner and Chair, Mrs. Hamp created a Culture Task Force that was designed to improve organizational culture through enhanced employee engagement, alignment and openness. The work of the Task Force, which included an employee-wide survey to address areas of improvement, led to Mrs. Hamp establishing various sub-committees that now allow employees to strategize and achieve work solutions together across the Allen Park and Ford Field offices.

Mrs. Hamp's hands-on approach to leading the Lions also extends to the league level. In February 2021, she participated in the NFL's Women's Careers In Football Forum, where she, along with Cleveland Browns Managing and Principal Partner Dee Haslem, led a "From Firsts To The Future" panel discussion with young women about breaking into careers in professional football. She also serves on the NFL's Fan Engagement and Major Events Committee, as well as the NFL Foundation Committee.

At the age of five, Mrs. Hamp, the second of four children, began attending Lions games at Briggs (Tiger) Stadium and Lions Training Camp at Cranbrook School in Bloomfield Hills,

Mich. As a teenager, her love of the Lions and knowledge of the game of football would impress many, including then NFL Commissioner Pete Rozelle. Now as Principal Owner and Chair, Mrs. Hamp focuses that love, knowledge and commitment to the team that has been part of her family for decades.

Beyond her involvement with the Lions, Mrs. Hamp and her husband, Steve, are very active in numerous community and charitable organizations. She is on the board of the Purple Rose Theatre Company in Chelsea, Mich. Mrs. Hamp also is a Trustee Emeritus of the Board of The Henry Ford. In addition, she is the Chair of the Board for Detroit Lions Foundation, and serves on the boards for the Edsel and Eleanor Ford House and USA Football.

Mrs. Hamp was a member of the ground-breaking group of students who were in the first class of women to graduate from Yale University where she earned her Bachelor of Arts degree. While at Yale, she played varsity tennis and earned Major Y honors during her college career. Following her graduation from Yale, she earned her Master of Arts degree in teaching and early childhood education from Boston University.

Sports have always been an integral part of Mrs. Hamp's life. In addition to her accomplishments as a college tennis player, she competed as a junior tennis player at the national level and won a Michigan state tennis title at age 17. She also coached youth soccer for more than 10 years in her current hometown of Ann Arbor, where she and her husband, Steve, raised their family.

FORD FAMILY BOARD OF DIRECTORS AND OWNERS/VICE CHAIRS

The unique relationship between the Ford Family and The Detroit Lions...

... goes all the way back to 1934, the very first season the Lions ever played in Detroit, when William Clay Ford attended his first Lions game with his father, Edsel Ford.

In 1963, Mr. Ford would purchase the Lions and become sole owner, and over the past six decades the passion and love Mr. Ford had for the Lions was shared with his wife, Martha, their children and grand-children. Upon Mr. Ford's passing in 2014, the Lions remained in the family as Mrs. Ford assumed majority ownership, and in 2020 she was succeeded by her daughter, Sheila Ford Hamp.

Mrs. Hamp is supported directly by her three siblings, Martha Ford Morse, William Clay Ford Jr. and Elizabeth Ford Kontulis, each of whom respectively serve as owner/vice chair and on the board of directors. All four children are members of the Board of Trustees for the Detroit Lions Foundation.

The vice chairs' involvement with the Lions dates back to when they also attended games during their childhood. Years later, they now remain deeply devoted, along with their mother, to overseeing and governing the Lions with one primary goal in mind — to bring Detroit a Super Bowl title.

The Ford Family continues the legacy left by Mr. Ford to support the city of Detroit and the state of Michigan with transformative philanthropy, while also establishing the Lions organization as exemplary on and off the field.

Following six seasons (2014-19) as the Detroit Lions Owner and Chair, Martha Firestone Ford now serves as Owner/Chair Emeritus and supports her four children - Principal Owner and Chair Sheila Ford Hamp, Owner/Vice Chair Martha Ford Morse, Owner/Vice Chair William Clay Ford Jr., and Owner/Vice Chair Elizabeth Ford Kontulis - in the organizational leadership of the franchise.

Mrs. Ford succeeded her husband, William Clay Ford, who passed away on March 9, 2014, after serving as the sole owner of the franchise for 50 seasons (1964-2013). Following her husband's passing, Mrs. Ford became the fifth principal owner or syndicate group to own and operate the franchise since it moved to Detroit in 1934.

Along with the entire Ford Family, Mrs. Ford appreciates the unwavering support of Lions fans and knows that winning and bringing a Super Bowl title to Detroit remains the team's primary goal. Beyond success on the field, she desires to deliver one of the best fan gameday experiences in all of sports. Under her ownership, the team made significant investments to Ford Field, including a \$100 million stadium renovation in 2017.

In addition to her contributions to the football team, Mrs. Ford also has made a positive impact in the community. In June 2016, she was honored with the 2016 Zero Tolerance Award from the Detroit Public Safety Foundation at the annual "Women in Blue" banquet for the team's stance on domestic violence. In January 2019, the Lions announced an initial \$600,000 commitment from Mrs. Ford and players toward the launch of Detroit Lions Inspire Change, a new social justice initiative in the City of Detroit that has continued into 2023. Funds generated for the team's social justice initiative focus on three community pillars as determined by the players - Scholarship Funding, Social-Educational Programs and Medical Aid/Health Assistance.

In March 2019 as part of the NFL's celebration of its 100th season, Mrs. Ford starred in the NFL Films production A

Lifetime of Sundays, a documentary highlighting the lives of four matriarchs of the NFL family – Mrs. Martha Firestone Ford (Detroit Lions), Mrs. Virginia Halas McCaskey (Chicago Bears), Mrs. Patricia Rooney (Pittsburgh Steelers) and Mrs. Norma Hunt (Kansas City Chiefs). The film debuted at the NFL Annual Meeting before airing on ESPN to a national audience.

Born in Akron, Ohio, Mrs. Ford is the granddaughter of one of America's great automotive industrial icons, Harvey Firestone. She graduated from Vassar College in 1946 with a bachelor's degree. After getting married in 1947, Mr. and Mrs. Ford moved to New Haven, Conn., where Mr. Ford attended Yale. The couple relocated to the Detroit area in 1952 and became active members of the Metro Detroit community.

Mrs. Ford also serves on the board for Detroit Lions Foundation and is an Honorary Trustee on The Henry Ford Health System Board of Trustees. She has held leadership positions with many organizations, including The Merrill Palmer Institute, The University Liggett School, and The Children's Home of Detroit. She was also the founder and longtime board member of The Maple Grove Institute.

Along with her four children, Mrs. Ford also has 14 grandchildren and 16 great-grandchildren.

ROD WOOD

PRESIDENT AND CEO

NFL YEARS: 8 LIONS YEARS: 8

As Detroit Lions Team President and CEO, Rod Wood oversees all football and business operations of the Lions organization and reports directly to Principal Owner and Chair Sheila Ford Hamp. He was originally appointed Team President on Nov. 19, 2015.

Following organizational changes at the end of the 2020 season, Wood and Mrs. Hamp set out to establish a new leadership vision for the Lions. On Dec. 15, 2020, Wood welcomed Lions Legend Chris Spielman to a formal role in the organization as Special Assistant to President/CEO and Chairperson. Together, along with Chief Operating Officer Mike Disner, the group began the process of bringing the right general manager and head coach to Detroit.

The thorough search for the Lions' new leadership tandem resulted in the arrival of Brad Holmes and Dan Campbell. Holmes was named executive vice president and general manager on Jan. 14, 2021 after spending 18 seasons with the Los Angeles Rams (2003-20) in a variety of roles, including most recently director of college scouting. That same week, Campbell, a former tight end with 22 years of NFL experience, including 11 as a coach and 11 as a player, was named the team's new head coach.

With the hiring of Holmes and Campbell, the Lions' improved culture of communication, collaboration and innovation will continue to follow the lead of Wood and Mrs. Hamp's vision toward establishing long-term success on and off the field. In May 2022, Wood and Mrs. Hamp unveiled a new organizational leadership structure that included the hiring of two new senior positions in Brian Facchini, Chief Communications and Brand Officer, and Lindsay Verstegen, Chief People and Diversity Officer. The revamped leadership team has since set out to begin establishing long-term goals for the Lions that focus on football and organizational excellence, fan engagement, brand reputation and stadium experience.

In 2022, Lions participated in the NFL's premier behind-the-scenes television series *Hard Knocks*, which provided an inside look at Lions Training Camp through collaboration with NFL Films and HBO. Detroit carried the momentum of the 2022 offseason into the regular season as the Lions won eight out of their final 10 games to close out the year with a 9-8 record, including a 20-16 win over Green Bay in Week 18 that eliminated the Packers from playoff contention. In 2024, Wood and the Lions leadership team will once again work to highlight Detroit on the national stage as the city prepares to host the 2024 NFL Draft.

In his seven years, Wood has implemented significant changes that range from day-to-day operations to new branding and has done so guided by a mission to improve the team's competitive financial position, fan engagement and overall customer experience. Wood has strengthened the Lions and Ford Field brands with improved business partnerships and more strategic alliances that positively influence business initiatives and provide necessary financial support to the club's football operations.

In February 2017, Wood unveiled plans for the first major renovation to the Detroit Lions' home stadium,

Ford Field, since it opened its doors in 2002. The \$100 million investment incorporated a complete overhaul of the audio and visual experience that featured new videoboards as well as a new state-of-the-art sound system. The stadium's premium spaces also received a complete makeover with expanded offerings to fans. With the fan game-day experience a primary focus for Wood, his team also implemented a significant upgrade to the stadium's Wi-Fi and oversaw the return of a team cheerleading squad for the first time in four decades.

During this time, the team also unveiled a comprehensive rebranding initiative that emphasized the classic colors of Honolulu Blue and Silver. At the forefront of the team's rebranding and perhaps its most visible assets, the Lions' new uniforms, revealed in April 2017, now feature Home, Away, Throwback and Color Rush combinations. In 2021, the team also unveiled a white pant that is now included in the uniform combinations. During the 2023 season, the Lions will unveil a new alternate helmet in honor of the team's 90th season brand campaign.

Off the field, Wood provided support for an initial \$600,000 commitment from Mrs. Ford and players in 2018 toward the launch of *Detroit Lions Inspire Change*, the team's social justice initiative in the City of Detroit. The initiative has since continued through grants to various Metro Detroit organizations and will remain as part of the team's community footprint in 2022.

Additionally, Wood has worked to improve the team's football infrastructure at the Lions' Allen Park practice facility. Over the past fouur years, the organization has completely renovated and updated the weight room and practice fields, along with other ongoing facility improvements and branding enhancements.

At the League level, Wood was appointed to and serves on the NFL's Investment Committee. For the eight years prior to his appointment as team president, Wood worked closely with the Detroit Lions organization and the Ford Family in his role as President and CEO of Ford Estates.

From 1999 until his appointment at Ford Estates in 2007, Wood was Executive Vice President of Wealth Management for the Wilmington Trust Company in Wilmington, Del., a \$400 million operation with 17 offices in eight states. Wood directed the company's entire wealth management business nationally, and he managed the personal trust, financial planning, private banking, investment management, family office services and sales functions for the wealth advisory business of Wilmington Trust.

Prior to joining Wilmington Trust, Wood held an executive position with Comerica Bank where he oversaw 12 offices in four states.

Over the years, Wood has been a member on numerous company and non-profit boards. He now serves on the board of trustees and is an officer for Detroit Lions Foundation. He is also a member of the boards for Business Leaders For Michigan, an organization dedicated to making Michigan a Top Ten state for jobs, personal income and a healthy economy; CATCH, an organization dedicated to improving the quality of life for pediatric patients and their families at Children's Hospital of Michigan and Henry Ford Hospital; the Downtown Detroit Partnership, which includes business, philanthropic and government partners that strengthen the city through strategic initiatives and programs; City Year Detroit, an organization that provides in-classroom support that helps students stay in school, become more engaged and perform better academically; as well as the Detroit Sports Organizing Corporation.

Wood graduated from Goodrich (Mich.) High School, and earned a Bachelor of Business Administration degree from the University of Michigan and a graduate degree from the ABA Graduate School of Commercial Banking.

Wood and his wife, Susan, have one daughter, Alison, and a son, Taylor.

BRAD HOLMES

EXECUTIVE VICE PRESIDENT AND GENERAL MANAGER

NFL YEARS: 21 LIONS YEARS: 3

Brad Holmes was named the Lions Executive Vice President and General Manager on Jan. 14, 2021. In his role, he oversees the Lions' football operations and reports directly to Principal Owner and Chair Sheila Ford Hamp and President and CEO Rod Wood.

Holmes joined the Lions after spending 18 seasons with the Los Angeles Rams (2003-2020). In 2013, the Rams elevated Holmes to Director of College Scouting, where he was responsible for overseeing the team's college scouting operations for eight seasons.

Holmes' vision for leading the Lions has so far been founded on a collaborative approach with Head Coach Dan Campbell as the two began reshaping the roster in 2021. Placing an emphasis on players with grit, passion and football character, Holmes has enhanced the Lions roster through precision in every phase of the talent acquisition process as he enters his third season as executive vice president and general manager.

The first month of Holmes' tenure in 2021 led to a blockbuster trade with the Los Angeles Rams that resulted in the Lions acquiring QB Jared Goff, a 2021 third-round pick and two future first-round draft picks in exchange for QB Matthew Stafford. His first offseason was capped off with one of the NFL's brightest and most productive draft classes, highlighted by the seventh overall pick T Penei Sewell out of Oregon. Sewell started 16 games as a rookie, splitting time between left and right tackle, and became the youngest player in NFL history to start a game at left tackle. WR Amon-Ra St. Brown (fourth round, 112th overall), set the Lions' all-time rookie record for receptions (90) and receiving yards (912), while DL Alim McNeill (third round, 72nd overall) emerged as a foundational piece along the defensive line. That year, Holmes also inked two-time Pro Bowl C Frank Ragnow to a long-term contract extension.

In 2022, Holmes re-signed key players such as LB Alex Anzalone, WR Kalif Raymond and OLB Charles Harris after each produced career-best seasons within their first year in Detroit, while also extending S Tracy Walker to a long-term deal. Holmes' 2022 draft class echoed his approach of investing in reliable, gritty players with the selection of DE Aidan Hutchinson (first round, second overall) and WR Jameson Williams (first round, 12th overall). Hutchinson finished second in the AP Rookie in the Year vote and concluded the season with 9.5 sacks (most among rookies), three interceptions and two fumble recoveries. His three interceptions tied for the most ever by a Lions defensive lineman in a single season.

Holmes' 2022 draft class was also highlighted by S Kerby Joseph, LB Malcolm Rodriguez and LB James Houston. The Lions' 2022 rookie class set an NFL record for most sacks by rookie players in a single season (20.5), and also ranked atop several league categories for 2022 - including second in rookie interceptions (seven) and first in rookie tackles for loss (26). Joseph became the only player to ever intercept QB Aaron Rodgers three time in a regular season career, while Houston finished second on the team in sacks with 8.0.

With a foundation set, Holmes further bolstered the Lions roster with major free agency signings in 2023 that included DB C.J. Gardner-Johnson, CB Cam Sutton, CB Emmanuel Moseley, RB David Montgomery and OL Graham Glasgow. Holmes also brought back core players DT Isaiah Buggs, DE John Cominsky and Anzalone on multi-year extensions. The Lions' full 2023 draft class included RB Jahmyr Gibbs (Round 1, Pick 12), LB Jack Campbell (Round 1, Pick 18), TE Sam LaPorta (Round 2, Pick 34), DB Brian Branch (Round 2, Pick 34), QB Hendon Hooker (Round 3, 68 overall), DT Brodric Martin (Round 3, 96 overall), OL Colby Sorsdal (Round 5, Pick 152 overall) and WR Antoine Green (Round 7, Pick 219 overall).

Prior to the Lions, Holmes led the Rams college scouting department and helped the organization capture two NFC West titles en route to three playoff berths and an appearance in Super Bowl LIII. After originally joining the Rams in 2003 as a public relations intern, Holmes transitioned into scouting and spent nearly two decades in a variety of roles within the organization's player personnel department, including NFS scout, area scout, national Combine scout and scouting assistant.

In his previous role, Holmes collaborated with the Rams' personnel directors to improve technological resources and enhance overall scouting procedures. While holding a prominent leadership role in the player personnel department from 2013-20, Holmes helped the Rams achieve a 64-58 record (.524), while having a total of 25 players named to the Pro Bowl during that span. He played an integral role in drafting several key players on the Rams' current roster, including DT Aaron Donald, QB Jared Goff, WR Cooper Kupp and S John Johnson. Holmes was also instrumental in helping the Rams acquire All-Pro CB Jalen Ramsey via trade in 2019.

A Tampa, Fla. native, Holmes graduated cum laude from North Carolina A&T State University in 2002 with a Bachelor of Science in Journalism and Mass Communications and was a four-year letterman for the Aggies at defensive tackle. He was voted team captain and helped A&T win the 1999 Mid-Eastern Athletic Conference and Black College Football National Championship.

In 2022, the Chamberlain (Fla.) High School Legacy Alliance recognized Holmes as a distinguished alumnus by naming the new football stadium press box in his honor.

Holmes is the son of Melvin Holmes, who played offensive line for the Pittsburgh Steelers from 1971-73, and is also the nephew of former Lions defensive back Luther Bradley (1978 first-round pick). He is married to his wife, Lisa, and together they have two children.

MIKE DISNER

CHIEF OPERATING OFFICER

NFL YEARS: 17 LIONS YEARS: 5

Mike Disner enters his 17th season in the National Football League and his fifth with the Detroit Lions. In May 2022, he was named the organization's Chief Operating Officer after previously serving as Senior Vice President of Football and Business Administration. In his current role, Disner assumes responsibilities across both the football and business management, overseeing the team's football operations and football administration, as well as leading the Lions' strategy and revenue teams.

During the 2021 offseason, Disner worked alongside Principal Owner and Chair Sheila Ford Hamp, President and CEO Rod Wood and Special Assistant to President/CEO and Chairperson Chris Spielman to reshape the culture and leadership of the Lions football operation. The group led a broad search that resulted in the hiring of Lions Executive Vice President and General Manager Brad Holmes and Head Coach Dan Campbell. The newly formed group continues to shepherd a new era of success for the Lions organization.

Disner joined the Lions in 2019 with an extensive background in player contract negotiations and NFL salary cap regulations both at the club and League level. During his first two season with the club, he served as Vice President of Football Administration and focused on matters pertaining to the club's salary cap management, player contract negotiations and compliance with the NFL Collective Bargaining Agreement. Disner also oversaw the club's analytics efforts and financial strategic planning as it relates to player acquisition and roster construction. In both 2020 and 2021, Disner was honored in *The Athletic's* "NFL 40 Under 40" list.

Prior to joining Detroit, Disner spent six seasons (2013-18) with the Arizona Cardinals as director of football administration. During his time in Arizona, Disner served as the club's lead contract negotiator and a key member of the Cardinals leadership team overseeing the strategic planning and management of the team's salary cap. Disner's role also included serving as the organization's liaison to the NFL Management Council and overseeing the development of technical and analytical initiatives for both the player personnel department and coaching staff.

While in Arizona, Disner worked on key contract extensions with marquee players such as Carson Palmer, Patrick Peterson, Larry Fitzgerald, Chandler Jones and Tyrann Mathieu. Disner also contributed to the rise of the Cardinals under Head Coach Bruce Arians, where the organization won at least 10 games three straight years after the franchise had accomplished the feat just once in the previous 35 years. During the 2014 offseason, Disner was selected to Forbes "30 Under 30" list, which honors 30 athletes or executives who are 30 years or younger and making a mark in the sports industry.

Prior to joining Arizona, Disner spent four years working at the National Football League Management Council, serving as labor operations manager (2012) and labor operations coordinator (2009-11). In these roles, Disner reviewed all aspects of player contracts while also managing the salary cap process. During this time his team developed new analytic tools to assist clubs in evaluating salary related decision

making.

Disner was instrumental in negotiations that helped cultivate the Rookie Compensation Pool in the League's 2011 Collective Bargaining Agreement, a system that is still used today.

Disner began his NFL career with the New England Patriots in 2007 as a scouting assistant after working as an intern for the Patriots for two summers (2005 and 2006). He was part of New England's personnel staff that helped the team capture the AFC title and an appearance in Super Bowl XLII.

Under Kozole's tenure, the Detroit Lions business operations have grown exponentially, with a focus on improving the comprehensive Lions fan experience including a rebrand, enhanced gameday and training camp features, the addition of the Detroit Lions Cheerleaders and a \$100 million investment in Ford Field. Most recently, Kozole led the club's newly established partnership with Reyes Coca-Cola Bottling, establishing Coca-Cola as the Official Soft Drink of the Detroit Lions entering the 2023 season. The partnership marked the first time Coca-Cola beverages will be served to Lions fans at the stadium since being sold at the Pontiac Silverdome.

"We are proud to partner with Reyes Coca-Cola Bottling to introduce Coca-Cola to Ford Field for the very first time," Kozole said. "Coca-Cola is an iconic brand, undoubtedly a fan-favorite, and it's exciting to expand our beverage selections for guests at the stadium."

Kozole was also instrumental in leading the efforts on behalf of the Lions organization, resulting in the city of Detroit being named the host of the 2024 NFL Draft. Held in New York City from 1965-2014, the NFL opted to make the Draft a traveling event annually following a two-year stint in Chicago. With the assistance of Kozole's leadership, Detroit beat out Green Bay and Washington D.C. as contenders for 2024. "The Draft has become a prominent offseason event across the country, and we are excited to work with the Lions and their partners to bring the 2024 NFL Draft to the Motor City," NFL Commissioner Roger Goodell said. "With the help of Visit Detroit, the Detroit Sports Commission, and the City of Detroit the Lions passionate fan base and all visitors will be treated to an incredible three-day experience."

In Kozole's first year as the senior vice president of business development, she concentrated on fan feedback to create the DTE Energy Power Hour as an early arrival incentive with food and beverage specials, new activations around the stadium and giveaways, as well as the improvement of fan and traffic communications, all of which have been recognized as an NFL Best Practice.

Kozole led the unveil of the Lions Nike Vapor Untouchable uniforms after a full rebranding that began with the team introducing an updated logo, new logotype and a new proprietary font in 2017. In that same offseason, the team completed an aggressive timeline of updates to The New Ford Field that included larger videoboards, an upgraded sound system, as well as renovated stadium suites and premium club areas, again with the fan experience in mind.

After joining the Detroit Lions in 2002 as Vice President of Events, Kozole has led DLI Entertainment, the

team's entertainment division, for the past 16 years. She has secured and promoted many large-scale shows and events at Ford Field, including 10 sold-out Kenny Chesney concerts, three sold-out Taylor Swift concerts, the 2003 Basketbowl, WrestleMania 23, 2008 NCAA Men's Basketball Regionals, 2009 NCAA Men's Basketball Final Four and the 2010 NCAA Men's Ice Hockey Frozen Four. Kozole also implemented and oversees the Quick Lane Bowl, the annual college football bowl game held at Ford Field.

In 2019 Kozole and her husband founded *Don't Forget Morgan*, a 501 c3 foundation created to help their daughter and other children with the rare disease BPAN. The goal is to raise awareness as well as financial support to begin research to find a cure for this extremely rare genetic disease.

NFL YEARS: 14 LIONS YEARS: 3

On Jan. 20, 2021 the Detroit Lions named Dan Campbell the franchise's new head coach.

Campbell possesses 25 years of NFL experience, including 14 years as a coach and 11 as a player. In his first year as the Lions' head coach, Campbell helped instill a new culture built on grit, conviction and collaboration on and off the field. Upon arrival.

Campbell assembled a proven coaching staff comprised of several former NFL players that have brought a wealth of knowledge and passion to Detroit's roster.

In 2022, Campbell's Lions overcame a 1-6 start to finish 8-2 in the final 10 games of the season. Detroit finished with a 9-8 record overall, capped off by a 20-16 win at Green Bay on Sunday Night Football to eliminate the Packers from playoff contention. Offensively, the Lions ranked in the top 5 in several League categories in 2022, including total net yards (3rd, 6,460), total touchdowns scored (4th, 54), fewest turnovers (1st, 15), points scored (5th, 453) and 30-point games (T-1st, 8). On defense, the Lions set an NFL record for sacks by rookies (20.5). The Lions' 2022 defensive rookie class also ranked atop several League categories for 2022 – including second in rookie interceptions (7) and first in rookie tackles for loss (26).

Under Campbell's leadership in 2022 four Lions players were named to the Pro Bowl – QB Jared Goff, C Frank Ragnow, T Penei Sewell and WR Amon-Ra St. Brown. Six different players earned NFC Player of The Week Awards (WR Amon-Ra St. Brown, K Michael Badgley, S Kerby Joseph, WR Kalif Raymond, DL Aidan Hutchinson, RB Jamaal Williams), with Raymond also earning AP Second Team All-Pro honors as a punt returner. Campbell's staff also received accolades in 2022, as Offensive Coordinator Ben Johnson was named a finalist for the AP Assistant Coach of the Year Award.

With one of the NFL's youngest rosters in 2021, 85 players saw the field for the Lions in Campbell's first season at the helm, which tied for the third most in the NFL behind the Jets (87) and Titans (91). In 2021, 10 different Lions rookies started a combined 66 games, and the Lions featured at least one rookie player on 100 percent of offensive snaps. The leadership from Campbell and the coaching staff resulted in consistent player development, as the Lions finished the season winning three of their final six games of the season – including a 30-12 statement win over the Arizona Cardinals in Week 15 and a 37-30 win over rival Green Bay in Week 18.

In their first three years together, Campbell and Executive Vice President and General Manager Brad Holmes have emphasized building through the Draft as the foundational identity of the team. Campbell-Holmes draft selections such as Sewell (first round, 2021), Alim McNeill (third round, 2021), St. Brown (fourth round, 2021), Hutchinson (first round, 2022) and Joseph (third round, 2022) have emerged as

young leaders on the team. Veterans S Tracy Walker, LB Alex Anzalone, Raymond and Ragnow have also received contract extensions under Campbell and Holmes' tenure. This season, Campbell helped recruit a talented 2023 free agent class to Detroit that includes DB C.J. Gardner-Johnson, RB David Montgomery, CB Cam Sutton and CB Emmanuel Moseley.

Prior to becoming the head coach in Detroit, Campbell served as the assistant head coach/tight ends coach for the New Orleans Saints from 2016 – 2020. During the span of his five-year coaching tenure with New Orleans, the club captured four NFC South division titles, ranked first in the NFL in points scored (2,361), touchdowns (277), net yardage (31,147) and posted the third-most wins (56) in the League. In 2019, Campbell helped coach TE Jared Cook to a Pro Bowl berth in Cook's first season with the Saints. Cook established a career-high average for yards per reception (16.4) that season under Campbell, while fellow TE Josh Hill posted a career-high 25 receptions for 226 yards and three touchdowns. During the 2017 season, Campbell's group saw three different players make starts at tight end, while still helping produce the NFL's fifth-best rushing offense.

In 2015, Campbell became the Miami Dolphins' interim head coach following organizational changes, where he took over a 1-3 team that had lost three consecutive contests and immediately helped the team win its first two games under his leadership. The Dolphins finished 5-7 under Campbell that season, including a 20-10 win over the New England Patriots in the season finale. Under Campbell, Miami improved eight spots in the NFL's rushing yards per game rankings and saw five Dolphins selected to the Pro Bowl in 2015. Additionally, QB Ryan Tannehill became the first Dolphins signal-caller to pass for at least 4,000 yards in consecutive seasons since Dan Marino (1984-86). Prior to taking over interim duties with the Dolphins, Campbell was responsible for mentoring Miami's tight ends unit dating back to 2011, after initially joining the Dolphins in 2010 as a coaching intern.

Campbell entered the NFL coaching ranks following an 11-year playing career with the New York Giants (1999-2002), Dallas Cowboys (2003-05), Detroit Lions (2006-08) and New Orleans Saints (2009). A third-round selection by the Giants in the 1999 NFL Draft, the former tight end appeared in 114 total career games (76 starts) and caught 91 passes for 934 yards and 11 touchdowns. He was a member of the Giants team that appeared in Super Bowl XXXV following the 2001 season. In his first year as a player with the Lions in 2006, Campbell posted career-highs in receiving yards (308), yards per reception (14.7) and touchdowns (four).

As the 28th head coach in franchise history, Campbell is also the fifth former Lions player to be named full-time head coach for the team and the first since Joe Schmidt, who played for Detroit from 1953-65 and served as head coach from 1967-72.

A Clifton, Texas native, Campbell attended Texas A&M, where he was a four-year letterman for the Aggies and majored in agricultural development. Campbell and his wife, Holly, have a son, Cody, and a daughter, Piper.

marks set single-season franchise records, while he recorded the fewest carries to reach 1,000 rushing yards in team history.

Under his tutelage, Montgomery's running backs corps ranked top 10 across the League from 2021-22 in rushing yards (4,406), rushing average (4.7) and rushes of 10+ yards (118). He cultivated one of the most dynamic backfields in the NFL, developing Taylor and RB Nyheim Hines as pass-catching threats. In 2021, the Colts were one-of-three teams to have multiple running backs with at least 40 receptions.

Montgomery served two seasons prior to Indianapolis with Maryland as the offensive coordinator/quarterbacks coach from 2019-20. In his first three games directing the unit, the Terrapins saw unprecedented success as their 159 points scored were the most over any three successive games in program history.

Despite playing only five games due to the COVID-19 pandemic, Montgomery oversaw Maryland RB Jake Funk rushing 60 times for 516 yards (8.6 avg.) in 2020. His rushing average ranked second in the Big Ten while he averaged 129.0 rushing yards per game, the second-best mark in the conference. In 2019, he tutored the rushing tandem of RBs Javon Leake and Anthony McFarland Jr., leading them to become one-of-two running back duos in the Power Five to both tally at least eight touchdowns.

Prior to his time in College Park, Montgomery spent three seasons (2016-18) as the head coach at East Carolina. His impact was felt immediately as the Pirates put together their second-highest single-season passing attack in school history, averaging 334.7 air yards per game in 2016. Their 5,605 yards of offense (467.1 yards per game) stood as the fourth-highest total in program history.

In 2017, East Carolina's 3,815 passing yards ranked 12th in the FBS and were fifth-most in the school's

record books. Individually, Montgomery also helped Biletnikoff Award finalist WR Zay Jones capture FBS bests in receptions (158) and receiving yards per game (145.5). Jones' 399-career receptions remain the most in NCAA history.

Montgomery spent two years (2014-15) at Duke in his second stint with the Blue Devils as associate head coach/offensive coordinator/quarterbacks coach. He spent the 2013 season overseeing the passing game and wide receivers. In Montgomery's first year as the offensive coordinator in 2014, the offense's 421 points scored finished second-most in single-season program history.

In 2015, Montgomery was one-of-three finalists for the AFCA National Assistant Coach of the Year and earned recognition by *Athlon* as one of "College Football's 20 Best Coaches Under 40."

His first NFL coaching opportunity came with the Pittsburgh Steelers as wide receivers coach from 2010-12, where he mentored WRs Hines Ward, Mike Wallace and Antonio Brown. Under Montgomery's oversight, Wallace earned a Pro Bowl nod in 2011 while Brown was named 2011 Team MVP after becoming the first player in NFL history to amass 1,000-plus yards both receiving and on kick returns. Brown was also named to the 2011 Pro Bowl as a returner.

In his first coaching role at Duke, Montgomery directed the wide receivers at his alma mater from 2006-09. Montgomery played wide receiver for the Blue Devils from 1996-99, pacing the team in receiving for three-straight seasons and earning Team MVP honors in 1998 and 1999.

Montgomery went on to play three seasons with the Denver Broncos from 2000-02 and one season with the Dakland Raiders in 2003.

A Shelby, N.C. native, Montgomery has three sons, Cassius, Moses and Magnus. His wife, Ebony, is a native of Detroit, Mich.

BEN JOHNSON

OFFENSIVE COORDINATOR

NFL YEARS: 12 LIONS YEARS: 5

Ben Johnson was promoted to offensive coordinator in 2022 after spending three seasons with the Lions in multiple roles on the coaching staff. He came to Detroit in 2019, as an offensive quality control coach, and was heavily involved in the passing game during Lions Head Coach Dan Campbell's first season.

"I think Ben's a rock star, man," Campbell said. "He's a young guy, but he's kind of gone a little longer, harder road to get to where he's at. He's been around some really good coaches, now, some guys

who have coached some pretty good quarterbacks. Just being around Mike Sherman when I was with him down there (in Miami). Joe Philbin, who was with (Aaron) Rodgers. Then he's with (Adam) Gase, who had (Peyton) Manning and those guys. So he understands quarterback play well. He was with Zac Taylor, who was with me in Miami. We were all together there in Miami. So, he understands it well."

Detroit's offensive production under Johnson in 2022 ranks among some of the best numbers the club has ever registered in a single season as a franchise. The group played a pivotal role in the team's record turnaround, winning eight of the last 10 games of the season. The 2022 season marked the first time in franchise history that Detroit accumulated 4,000 passing yards and 2,000 rushing yards in the same season. It also served as the second-best franchise performance in terms of total net yards, total touchdowns scored, points scored and first downs gained. Additionally, in Johnson's first season leading the offense, Detroit recorded its third-most yards per play average in a season, and tied for the least amount of turnovers the franchise has had in a single season.

Detroit's offense also ranked near the top of the NFL in several major categories, finishing the 2022 season ranked fifth in points per game, fourth in total offense, fourth in red zone efficiency, and first in giveaways. The Lions scored 30 or more points in eight games in 2022, tied for the most in the NFL, while establishing a new franchise record for the most 30-point games in a single season. With Johnson's assistance, four players were named to the Pro Bowl including C Frank Ragnow, T Penei Sewell, WR Amon-Ra St. Brown, and QB Jared Goff. It marked the first time Detroit had four offensive players in the Pro Bowl since 1971.

Goff was able to experience considerable success within the offense. He was amongst the top QBs in the NFL as Detroit rallied to win eight of the final 10 games, while taking exceptional care of the football. Since Week 10 of the 2022 season, Goff was the only NFL quarterback to attempt at least 100 passes and not throw an interception. The streak marked the first time in Goff's career that he went nine-straight starts without an interception. Goff concluded the 2022 season having attempted 324 consecutive

passes without an interception, which ranks as the fifth-longest streak in NFL history. Goff also established new franchise records in 2022 in TD/INT ratio (4.14) and interception rate (1.2%) while tying for the best passer rating in team history (99.3).

Under Johnson's guidance, former Lions RB Jamaal Williams reached career milestones within Detroit's offense. The Lions running backs lead the NFL in rushing TDs among a team's running backs corps in 2022. In the process, Williams set a new franchise single-season record with 17 rushing TDs in 2022. The team also ran for 100-or-more yards in 13 games in Johnson's first season calling plays. It marked the most games with at least 100 rushing yards since producing 14 games with 100-plus yards in 1997.

In 2020, Johnson helped guide second-year TE T.J. Hockenson to his first-career Pro Bowl after posting 67 receptions for 723 yards (10.8 avg.) and six TDs. Hockenson became just the fifth tight end in franchise history to earn Pro Bowl honors and the first since 1999. Among all NFL tight ends, Hockenson ranked in the top five in receiving yards (3rd), receiving 1st downs (3rd) and receptions (4th).

Prior to joining Detroit, he was promoted to the Dolphins wide receivers coach in 2018 where he helped WR Albert Wilson average the second-most yards after catch (12.9) in the NFL and the fifth-highest yards per target (11.2).

In 2017, Johnson helped WR Jarvis Landry catch a Dolphins franchise-record and an NFL-high 112 receptions. Landry also earned Pro Bowl recognition for the third consecutive season and caught a career-high nine touchdown passes.

In Johnson's first season as assistant wide receivers coach in 2016, he helped the Dolphins win 10 games and earn their first playoff berth since 2008. Johnson coached Landry to 94 receptions for 1,136 yards (12.1 avg.) and four TDs, earning his second consecutive Pro Bowl selection. Landry's 94 receptions were fourth in single-season Dolphins history and his 1,136 receiving yards were eighth.

From 2013-15 Johnson served as the team's assistant quarterbacks coach and in 2015 was promoted to the tight ends coach during the season. In 2014, Johnson helped QB Ryan Tannehill finish with 4,045 passing yards, joining QB Dan Marino as the only quarterbacks in Dolphins history to surpass 4,000 yards in a season. Tannehill passed for 4,208 passing yards in 2015 and steadily improved his passing yardage in all four of his NFL seasons with Johnson coaching his position.

In 2012, Johnson started with the Dolphins as an offensive assistant coach and helped an offense that finished fourth in the AFC in rushing touchdowns (15).

Johnson joined the Miami Dolphins after spending three years (2009-11) at Boston College. He spent his final season as tight ends coach after spending his first two seasons as a graduate assistant.

Johnson played four seasons as a quarterback at North Carolina and graduated in 2008 with a B.S. in mathematics and a B.S. in computer science. Together, Johnson and his wife, Jessica, have three children - their first child, Emory, a son, Kennedy, and his youngest daughter, Halle.

The 2023 season will serve as Aaron Glenn's 10th in the NFL as a coach, and his third season leading Detroit's defense. Glenn has more than 25 years of experience in the National Football League including playing, front office, and coaching experience.

In 2022, a highly productive rookie class highlighted Glenn's defense, including DL Aidan Hutchinson, S Kerby Joseph, LB James Houston, and LB Malcolm Rodriguez. The group played a pivotal role in the team's record turnaround, winning eight of the last 10 games of the season. In 2022, Detroit's rookies combined for 20.5 sacks, establishing a new NFL record for the most combined sacks from a team's rookie corps. In Glenn's second season as coordinator, Detroit also bested their previous franchise rookie record of 12.0 sacks which existed since 1987. The 20.5 combined sacks from rookies were more than double the second-most, which was produced by the New York Giants with 10.0 sacks from rookies. Additionally, the team's rookie class posted seven interceptions, tied with the Texans for the most by an NFL team's rookie corps in 2022, and served as the most by a Lions' rookie class since 1976.

As one of the most productive rookies of the 2022 season, Hutchinson was named the NFL's Defensive Rookie of the Month on two different occasions (November, December/January), including being named the NFC's Defensive Player of the Week in Week 11. Hutchinson became the first player in franchise history to earn the award twice in one season. In Glenn's defense, Hutchinson produced the most sacks in the NFL among rookies (9.5) and the second-most by a rookie in franchise history.

In Week 4 against Seattle, Joseph earned his first start with the Lions and finished the season as a starter on defense in the team's final 14 games. Being used in a variety of ways, Glenn helped Joseph earn NFC Defensive Player of the Week recognition honors after posting two interceptions against the Packers in Week 9. Joseph became the first Lions rookie to record two interceptions in a game since 1986. Joseph also became the NFL's first rookie safety to produce a season with four interceptions and two forced fumbles since 2007.

After beginning his rookie campaign on the practice squad, the defensive staff helped Houston develop into a productive pass rusher for the second half of the season. Making his career debut on Thanksgiving in Week 12, Houston generated 2.0 sacks against the Buffalo Bills. He went on to combine for 5.0 sacks in his first four games played with the assistance of Glenn and the defensive staff. Houston also started his career with at least 1.0 sack in each of the first four games of his career, becoming the third player in NFL history to do so. His 8.0 sacks tie for the third-most a Lions rookie has produced in a single season. Houston's tally of at least 1.0 sack in five of his first six-career games, also tied for the most games with a sack through six-career games played in NFL history.

Rodriguez became Detroit's first rookie selected in the sixth round or later to start in Week 1 of his same draft year since 1987. Under Glenn's leadership, he tied for the NFL rookie lead by producing at least one tackle for loss in eight games in 2022. His eight tackles for loss tied for third among NFL rookies.

Despite a young group in 2021, Glenn began his first season in Detroit by helping the team change its identity and narrative. Under his tutelage and extensive history coaching in the secondary, Glenn helped Lions CB Amani Oruwariye set a career-high in interceptions with six.

Prior to Detroit, Glenn was on staff with Lions Head Coach Dan Campbell in New Orleans for five seasons (2016-20), where Glenn was responsible for overseeing the secondary unit.

In 2020, the Saints defense was one of the best in the NFL, finishing fourth in yards allowed per game and fifth in points allowed per game. During his time with the Saints, Glenn's unit was a key contributor to the success of the club's overall defensive accomplishments. With his leadership, Glenn played an integral role in the development of many of the team's top defensive playmakers in the secondary unit such as CB Marshon Lattimore, S Marcus Williams, S Vonn Bell and CB C.J. Gardner-Johnson.

In 2020, New Orleans tied for first in the NFL in interceptions recorded (18), while the defense tied for the third-most (26) total takeaways in the NFL. In 2019, the Saints recorded 13 interceptions, while Glenn's defensive backs accounted for nine of them. By helping develop the defensive secondary to be a versatile group, Glenn's unit also produced 3.0 sacks, six forced fumbles and seven fumble recoveries in 2019. Additionally, he had a helping hand in the growth of Bell, who totaled five fumble recoveries, the most in the NFL in 2019.

While coaching in New Orleans, Glenn helped Lattimore reach three Pro Bowls in his first four seasons (2017-20), as Lattimore led the team with 14 pass defenses in 2019. With Glenn's assistance, Lattimore continued to experience growth in his second NFL season in 2018. Glenn's defensive backs recorded 12 total interceptions, 3.0 sacks, nine forced fumbles and six fumble recoveries, while Lattimore led the team with five solo takeaways and added two interceptions in the NFC Divisional Playoff win over the Eagles. After the Saints acquired CB Eli Apple in the middle of the 2018 season, Glenn helped Apple establish himself in the backend of the defense instantaneously. In 10 games played with the Saints, Apple posted three takeaways.

Under Glenn's tutelage, Lattimore generated a historic rookie season in 2017, where he started in 12 games and lead all NFL rookies with a team-high five interceptions. Lattimore also tied the rookie lead with a team-best 18 pass defenses and became the youngest Saints player to be selected to the Pro Bowl and the franchise's first AP Defensive Rookie of the Year.

Prior to his time in New Orleans, Glenn served as an assistant secondary coach with the Cleveland Browns from 2014-15. In his first year in Cleveland, Glenn worked with a secondary unit that earned three Pro Bowl nods in S Tashaun Gipson, CB Joe Haden and S Donte Whitner. The 2014 season marked the first time in team history that the Browns had three defensive backs selected to the Pro Bowl. Cleveland led the NFL in opponent passer rating (74.1), completion percentage (57.1) and passe defenses (99). Additionally, the Browns finished second in the NFL with 21 interceptions, the team's highest total since 2008. They also finished ranked fifth in the League in yards per pass attempt (6.44), fifth in red zone defense (46.3) and ninth in points per game (21.1). The Browns defense was the only one in the NFL to have two players with at least 18 pass defenses, as Haden led the team and finished second in the

League with 20, while Buster Skrine tied for fourth with 18. During that season, despite missing the final five games, Gipson finished second in the NFL with six interceptions, which were the most by a Brown since 2010.

Prior to Cleveland, Glenn spent two seasons (2012-13) working in the New York Jets front office. He served as a college area scout in 2013 after a season as a pro personnel scout.

Glenn played 15 years in the NFL before joining the personnel and coaching ranks. He was a first-round draft selection (12th overall) by the Jets out of Texas A&M in the 1994 Draft. He started 176 out of his 205 career games played during his time with New York (1994-2001), Houston (2002-04), Dallas (2005-06), Jacksonville (2007) and New Orleans (2008). He earned three Pro Bowl selections during his career, and posted career totals of 661 tackles, 41 interceptions and 167 pass defenses. Glenn scored eight career touchdowns, including six interception returns, a 96-yard kickoff return and a 104-yard return on a missed field goal.

A Humble, Texas native, Glenn earned his bachelor's degree in business management from Texas A&M, where he was a two-time All-American, and left the school as his alma mater's all-time leader in pass defenses in a season (20), season punt-return average (19.9) and punt return yards in a game (131).

In 2003, he established the Aaron Glenn Foundation, which supports education and health initiatives for families and children. Glenn and his wife, Devaney, have a son, Aaron II, and two daughters, Tristen and Rheagan.

DAVE FIPP

SPECIAL TEAMS COORDINATOR

NFL YEARS: 16 LIONS YEARS: 3

Dave Fipp joined the Lions coaching staff in 2021 as the special teams coordinator after spending eight seasons (2013-20) with the Philadelphia Eagles in the same role. He has spent more than 20 seasons coaching between the collegiate and NFL levels combined. Fipp began his coaching career in 1998 as the special teams coordinator at Holy Cross. After two seasons at Holy Cross, he was a graduate assistant at Arizona before stints at Cal Poly (2001-03), Nevada (2004) and San Jose State (2005-07) working in defensive coordinator roles.

Entering his third season with the franchise in 2023, Fipp's unit has continued to be utilized as an integral weapon within Detroit's game plans each week. The group played a pivotal role in the team's record turnaround, winning eight of the last 10

games of the season. Over the course of Fipp's first two seasons with the Lions, the team was six-of-seven (85.7%) on fake punt attempts. In 2022, the Lions orchestrated three successful fake punts. In his second season leading the group, the Lions' offense started their average drive at their 27.0 yard line after kickoffs, the second-best rate in the NFL in 2022. Since Fipp was hired in 2021 his unit has gained a reputation for its creativity. P Jack Fox has converted three fake-punt passes for first downs, while the special teams unit has rushed for first-down gains on fake punts three times. Detroit's 26.1 kickoff return average ranked third in the NFL in 2022, while leading the NFL with 85.3% of kickoff returns being 20-or-more yards.

In Fipp's first season in Detroit, his unit was among the best in the NFL. Despite all NFL teams being a combined 9-for-56 (16.07%) on onside kicks attempts, the Lions were the only team with multiple onside kick recoveries, leading the League with three in 2021. The team's three-of-nine (33.33%) conversion rate marked the most successful onside kick recoveries the Lions have had in a season since at least 1997, when the data began to be tracked.

Fipp's first NFL experience came with the San Francisco 49ers from 2008-10, where he helped P Andy Lee rank third in the League in gross punting yards (12,069), gross punting average (47.1) and net punting yards (10,147) in that span. Lee earned Pro Bowl honors in 2009 after leading the NFC in gross punting yards (4,711), gross punting average (47.6) and net punting yards (4,056). Fipp went on to work with the Miami Dolphins in a similar position coaching special teams from 2011-12.

After earning the special teams coordinator position with the Eagles in 2013, Fipp's unit ranked first in

Rick Gosselin's Dallas Morning News special teams ranking in just Fipp's second season as coordinator. The Eagles special teams group finished first in the NFL with a league high of seven special teams touchdowns during the 2014 season.

With Fipp's oversight between 2013-19, the Eagles ranked second in the NFL in special teams touchdowns (12) and total blocks (18). During that time span, the Eagles returned four kickoffs for touchdowns, four punt returns for touchdowns and four blocked punt returns for touchdowns. Additionally, they registered 11 blocked punts and seven blocked kicks.

The Eagles had many standouts on special teams during the 2019 season. LS Rick Lovato earned his first Pro Bowl selection in 2019 after helping K Jake Elliott reach a career-high 84.6% FG percentage and P Cameron Johnston produce top 10 finishes in gross (46.4, 9th) and net (42.3, 8th) punting averages. Prior to exceptional contributions in 2019, Fipp helped Johnston have a strong 2018 campaign, in which he set single-season team records in both gross (48.2) and net (42.7) punting averages, while ranking third and fourth in the NFL in each category. Fipp had a helping hand in guiding Elliott to a memorable rookie season in 2017, when Elliott converted the longest regular-season (61 yards) and postseason (53 yards) field goals in franchise history. Elliott also kicked the longest field goals (42, 46 yards) by a rookie in Super Bowl history that season in Philadelphia's Super Bowl LII victory.

Fipp played an integral role in helping return specialist, Darren Sproles, earn two consecutive Pro Bowl berths for the 2014 and 2015 seasons. In 2014, Sproles earned All-Pro and Pro Bowl honors for the first time in his career after leading the NFL in punt return average (13.0), punt return yards (506) and punt returns for touchdowns (two). In addition to helping Sproles' breakout campaign in 2014, rookie K Cody Parkey recorded a historical kicking season amongst all-time Eagles rookie en route to Pro Bowl honors. Parkey (150 points) broke Kevin Butler's NFL rookie record and the Eagles all-time record for points scored in a single season, while finishing second in the League in scoring. LS Jon Dorenbos completed the trifecta for Eagles specialists who earned Pro Bowl honors in 2014, earning himself a bid as well under Fipp's coaching.

Sproles followed up the 2014 season by again earning the crown as the League's leader in punt return yards and touchdowns in 2015. The Eagles special teams unit posted the second-highest punt return average (11.4) in the League and added three touchdowns in 2015.

Fipp began his coaching career in 1998 after a playing career at Arizona. A four-year letterman and former walk-on, Fipp played for the Wildcats from 1994-97. He was a leading tackler on special teams as a sophomore in 1995 and started at safety during his final two years with the Wildcats. The Wildcats defense finished as one of the top defensive units in the Pac-10 Conference and ranked 12th nationally in rushing defense.

Raised in San Diego, Calif., Fipp and his wife, Jenny, have two daughters, Ashlee and Lilly, and a son, Tyler.

JOHN FOX

NFL YEARS: 31 LIONS YEARS: 1

As a head coach, he compiled a 133-123 regular season record, an 8-7 postseason record and earned seven playoff berths, which included capturing the 2013 AFC Championship with the Broncos and the 2003 NFC Championship with the Panthers. Fox is also one-of-seven coaches in NFL history to take two different teams to a Super Bowl, joining Don Shula, Bill Parcells, Dan Reeves, Dick Vermeil, Mike Holmgren and Andy Reid. He joins Parcells, Reeves and Reid as the only coaches to lead a team from both conferences to a Super Bowl appearance.

Prior to becoming an NFL head coach, Fox spent five seasons as the New York Giants' defensive coordinator (1997-2001), helping the Giants rank third in the NFL in sacks (230) and capture an NFC Championship (2000) in that span. He spent three seasons (1999-2001) alongside Lions Head Coach

HANK FRALEY

OFFENSIVE LINE

NFL YEARS: 9

LIONS YEARS: 6

Hank Fraley enters his sixth season with the Lions and his fourth as the team's offensive line coach. He originally began his time with the club as the assistant offensive line coach.

Fraley tutored one of the top offensive lines in the NFL in 2022, producing two Pro Bowlers in C Frank Ragnow and T Penei Sewell. The unit allowed only 24 sacks on the year, the second-fewest in the League, while their 3.9 percent of sacks on dropbacks was the third-best rate in the NFL. Under Fraley's

guidance, the group anchored an offense that rushed for 2,179 yards, the most for the franchise since 1997. The team also scored 23 rushing touchdowns, tied for the third-most in Detroit single-season franchise history.

In 2021, the Lions added Sewell with the seventh overall pick of the NFL Draft, marking the second offensive lineman (Ragnow) the team had selected in the first round since Fraley coached the position in 2018. Additionally under Fraley's leadership, the offensive line adapted to several injuries throughout the season.

After an injury knocked T Taylor Decker out for the first eight games in 2021, Fraley was instrumental in helping Sewell adjust and start the team's first eight games at left tackle. In Week 1 vs. San Francisco, Sewell became the youngest player in NFL history to start a game at left tackle (20 years and 202 days). Upon Decker's return, Sewell completed his rookie season with success playing the second half of the season at right tackle for the offense. Sewell only allowed 5.0 sacks on the season and only 2.0 over the final 12 games he played in 2021.

After also losing Ragnow for the last 13 games of the season, Fraley was significant in preparing C Evan Brown to step in and start 12 games at center for the Lions in 2021, while G Jonah Jackson also made the Pro Bowl as an alternate. The effectiveness of the offensive line unit could be seen each week, as the Lions became the second team in the NFL in 2021 with the most offensive plays with a sixth offensive lineman. Behind Fraley's offensive line, the Lions became the only team in 2021 to have nine players record a rush of 20-or-more yards. The last NFL team to accomplish the feat prior to 2021 was the 1984 Chicago Bears.

Fraley's coaching resume includes experience coaching the offensive line at both the NCAA and NFL levels. In 2020, Fraley guided Ragnow to his first Pro Bowl appearance. Ragnow was not responsible for allowing a sack in 2020, did not commit a false start, and only had two penalties in 14 games.

In the 2019 season, the O-line assisted four different running backs accumulate at least 200 rushing yards on the season, which was an NFL-high. In Week 7 of 2018, Detroit's offensive line went on to help put together a season-best 248 rushing yards at the Miami Dolphins, their most in a game since 1997.

Prior to coming to Detroit in 2018, he served as the offensive line coach at UCLA in 2017. He entered the NFL coaching ranks when he was named the assistant offensive line coach for the Minnesota Vikings in 2014, where he worked for three seasons (2014-16). While assisting with the offensive line, Fraley helped the unit produce one of the NFL's top rushing attacks in 2015.

With an offense featuring RB Adrian Peterson, the Vikings offensive line paved the way for Peterson to rush for an NFL-leading 1,485 yards in 2015, while the team finished fourth in overall rushing that season. Minnesota's offensive line finished the 2015 season as the only NFL team to have the same starting offensive line in all 16 games.

Prior to joining the Vikings, Fraley served as the offensive line coach at San Jose State in 2013. He began his coaching career in 2012 when he was named the offensive line coach at the University of San Diego.

A former lineman himself, Fraley played 11 seasons in the NFL after entering the League as an undrafted free agent in 2000 out of Robert Morris. He went on to play with the Philadelphia Eagles (2000-05), Cleveland Browns (2006-09) and St. Louis Rams (2010). As a mainstay along the offensive line, he helped Philadelphia win four-consecutive NFC East titles between 2001-04 and reach four-consecutive NFC title games. The Eagles advanced to Super Bowl XXXIX against New England following the 2004 season.

A standout athlete at Robert Morris, Fraley was an All-Northeastern Conference selection from 1997-99, helping his teams win conference titles each season. He had his No. 75 retired by the school in 2001 and became the first Robert Morris alum to play in the Super Bowl. He was enshrined in the school's Hall of Fame in 2006 and honored by the Northeast Conference in 2010.

Fraley and his wife, Danielle, have four sons, Trent, Mason, Travis and Beau, and one daughter, Scarlett.

The Cardinals scored 410 points, the fifth-most in team history. Heiden tutored TE Dan Arnold as he caught 31 passes for 438 yards and four touchdowns, becoming the first Arizona tight end to have 400 receiving yards and four touchdowns in a season since 1988.

While assisting the tight end group in 2017, Heiden helped TE Ricky Seals-Jones become just the third rookie tight end in franchise history to register at least three touchdown receptions in a season. Heiden was selected in the third round (69th overall) of the 1999 NFL Draft out of South Dakota State by the San Diego Chargers. He went on to spend three years (1999-2001) with the Chargers before being traded to the Cleveland Browns, where he spent eight seasons from 2002-09. Over his NFL career, Heiden played 148 games (83 starts) and totaled 201 receptions for 1,689 yards and 14 touchdowns. He holds the Browns' franchise records for most receiving touchdowns by a tight end in a single game after he caught three against Cincinnati in Week 12 of 2004.

A native of Rushford, Minn., Heiden played collegiately at South Dakota State. He earned First-Team All-

North Central Intercollegiate Athletic Conference honors as a senior in 1998, and became one of only 29 players in school history to be selected in the NFL Draft.

NFL YEARS: 24 LIONS YEARS: 1

Jim Hostler brings 24 years of NFL experience to Detroit in his first season as senior offensive assistant in 2023

Most recently, Hostler spent three years (2020-22) with the Washington Commanders. He served as senior offensive assistant in Washington for two seasons after being promoted from wide receivers coach following the 2020 campaign.

During Hostler's first year in Washington, McLaurin reached 1,000 receiving yards in only 13 games as a second-year pro in 2020. Hostler also guided WR Cam Sims in setting career highs in almost every category, helping him register the most yards after catch (251) in a single season by an undrafted wide receiver in franchise history.

Prior to the Commanders, Hostler spent 20 years coaching offensive units throughout the NFL with the Panthers, Packers, Colts, Bills, Ravens, 49ers, Jets, Saints and Chiefs. Throughout his stints in the League, Hostler has helped develop wide receivers such as D.J. Moore, Devante Adams, Sammy Watkins and T.Y. Hilton.

In 2019, Hostler oversaw Carolina's receiving corps as they finished top 10 in receiving yards and receptions. While in Green Bay in 2018, Hostler assisted the Packers in ranking sixth in the NFL with 4,629 receiving yards and seventh with 392 receptions. Adams alone accounted for 1,386 receiving yards and 13 receiving touchdowns, which ranked second in the NFL.

In 2022, Randle El oversaw a prolific wide receiver corps that finished top 10 in receptions (383), receiving yards (4,444), receiving first downs (228), receiving touchdowns (29), receptions of over 25 yards (35) and yards after catch (2,217). Under Randle El's direction, the Lions were one of five teams to have six players record over 350 receiving yards.

Since arriving in Detroit, Randle El has played a critical role in the breakout of Lions 2021 fourth-round draft selection WR Amon-Ra St. Brown. As a second-year pro in 2022, St. Brown earned a Pro Bowl berth as he tied the NFL record for most receptions (196) within a player's two-career seasons.

Randle El developed St. Brown into an impact player as only a rookie. He finished 2021 with 90 receptions for 912 yards (10.1 avg), both the most for a rookie in Lions history. His 90 catches ranked as the second-most by a rookie in 2021 while his yardage was fifth. In his first NFL season, St. Brown had six-straight games with at least eight receptions, the longest streak in team history and the longest by a rookie in NFL history.

During Randle El's tenure in Tampa, Tampa's offense ranked first in passing yards (9,471) and passing touchdowns (75), second in points scored (950), and third in total offense (12,511).

Working primarily with Tampa Bay's wide receivers, he helped WR Mike Evans post consecutive 1,000-yard seasons and guided WR Chris Godwin (1,333) to his first 1,000-yard campaign in 2019. Evans ranked third in the NFL with 21 receiving touchdowns over the 2019-20 seasons, and in that same span, Buccaneers wide receivers produced 55 receiving touchdowns, the most by any team's wide receiver corps.

As a player, Randle El originally entered the NFL as a second-round draft selection (62nd overall) with the Pittsburgh Steelers out of Indiana in the 2002 NFL Draft. In nine years split with Pittsburgh and Washington, he appeared in 143 career games (71 starts) and logged 370 receptions for 4,467 yards (12.1 avg.) and 15 touchdowns along with 438 rushing yards, 323 passing yards and six passing touchdowns. Additionally, Randle El added 4,316 yards and six touchdowns on kickoff and punt returns.

In Super Bowl XL, the only Super Bowl to be played at Ford Field, Randle El threw a 43-yard touchdown to WR Hines Ward in the fourth quarter, the final points in Pittsburgh's 21-10 victory over the Seattle

Seahawks. The trick play stands as one of the most iconic plays in Super Bowl history.

He entered the NFL following a noteworthy career at Indiana, appearing on the Hoosiers' basketball and baseball teams in addition to starring on the gridiron. Randle El was the 2001 Big Ten Offensive Player of the Year, left college as the FBS' all-time leading rusher for a quarterback, became the first FBS quarterback to account for 7,000 passing yards and 3,500 rushing yards and was the first FBS player with 40 career passing touchdowns and 40 career rushing touchdowns. The Big Ten's Freshman of the Year Award is named in his honor.

A native of Riverdale, Ill., Randle El was also drafted by the Chicago Cubs in the 14th round of the 1997 MLB Draft.

DON MUHLBACH

SPECIAL ASSISTANT FOOTBALL OPERATIONS

Don Muhlbach transitioned to the Detroit Lions football administration department in 2021 as Special Assistant Football Operations after a storied 17-year playing career with the Lions at long snapper. In his role, he supports the front office and assists with various projects across the team's football, coaching and business operations.

Muhlbach retired from football in 2021 as the second-longest tenured player in Lions history (17 seasons, 260 career games) behind only K Jason Hanson. His 260 career games played rank 37th for all-time career games played in NFL history, and also rank as the eighth-most a player has played with a single club in NFL history. Muhlbach appeared in every game from the 2010s decade (2010-19), becoming the first player in franchise history to appear in all 160 games in any given decade.

A two-time Pro Bowler (2012, 2018), Muhlbach became the first long snapper in Lions history to earn the recognition. He was named to the Detroit Lions All-Time Team in 2019.

He originally entered the NFL with the Baltimore Ravens as an undrafted rookie free agent out of Texas A&M in 2004 before signing with the Lions midway through the 2004 season.

A native of Lufkin, Texas, Muhlbach played long snapper collegiately for the Aggies in 2003 and earned his bachelor's degree in business. He and his wife, Alix, have three children, Addison, Jackson and Avery.

LIONS ALL-PROS

The Associated Press All-Pro Team (First Team) dates back to 1930. In 1951, the AP began designating the All-Pro Team by offense and defense. From 1930-50, positions selected included the following: End (E), Tackle (T), Guard (G), Center (C) and Back (B). This designation represented the offensive and defensive systems of the era as well as the commonality of two-way players. The first year the offensive backfield was separated by Quarterback, Fullback and Half (Running) Back was 1954. The first year the AP designated the defensive backfield by Safety (S) and Cornerback (B or CB in 1963) was 1955. Wide Receiver (WR), also known as 1959. Flanker (FL) from 1963-69, were first separated in 1963, having been previously combined as the End (E) position. Punter (P) and Placekicker (PK) were first honored in 1970 and Kick Returner (KR) in 1978.

As the new pro football franchise took root in Detroit, owner G.A. Richards called for an original fight song to be written for the Lions. In the late 1930s, Wayne State University director of bands Graham T. Overgard, who was also the Lions' director of entertainment, penned the lyrics and music for "Gridiron Heroes - The Victory Song of the Detroit Lions."

The song has become one of the NFL's oldest and most popular, and it is still played after each Lions' score.

DECADE OF DOMINANCE

Only a handful of great teams over the years in the NFL can claim the title of dynasty. One of those great teams was the Detroit Lions in the 1950s when the franchise captured world championships three times in a six-year span. Winning three championships in six years has occurred only in room 2107 of the Fisher Building, in downtown Detroit. 10 times by eight different teams in the history of the NFL.

Detroit won back-to-back titles in 1952 and 1953 and became the third team since the beginning of NFL Championship games in 1933 to win championships in

consecutive years.

> Overall since 1933, back-to-back titles have occurred just 15 times. Including 1954, the Lions appeared in the NFL title game four times in a six-year period.

DEEPLY ROOTED IN TEXAS

The Detroit Lions have a deep history of outstanding players who have Texas roots. Five players on the Lions' All-Time Team played college football in the Lone Star State, including: QB Bobby Layne (Texas), S Yale Lary (Texas A&M), RB Doak Walker (Southern Methodist), G Harley Sewell (Texas) and DT Doug English (Texas). Layne, Lary and Walker are all members of the Pro Football Hall of Fame.

Joining those stars on the franchise's All-Time Team are Texas prepsters CB Dick "Night Train" Lane (Austin), who is also a member of the Pro Football Hall of Fame, and

RB Billy Sims (Hooks).

Layne, Lane, Lary and Walker are all members of the Pride

of the Lions charter class.

Texas roots go back even deeper with Layne and Walker who grew up only a few blocks apart in Dallas, Texas, and were childhood friends. Both players started in the backfield at Highland Park High School in 1943. After stints in the military during World War II, Layne went to Texas University while Walker played for rival Southern Methodist University. The two were reunited when they joined the Lions in 1950.

That connection was revisited when the Lions drafted QB Matthew Stafford with the first overall pick in the 2009 NFL Draft. Stafford also is from Highland Park, Texas and went to the same high school as Layne and Walker.

HISTORY SECTION - THANKSGIVING DAY TRADITION

It was, legend says, a typically colorful, probably chilly, Noyember day in 1622 that Pilgrims and Native Americans celebrated the new world's bounty with a sumptuous feast. They sat together at Plymouth Plantation (they spelled

it Plimouth) in Massachusetts, gave thanks for the goodness set before them, then dined on pumpkin pie, sweet potatoes, maize, cranberry sauce, turkey and who knows what else.

Actually, fish was just as predominant a staple. And history books say pumpkin pie really debuted a year later. But regardless of the accuracy of the details, that's how Thanksgiving Day is seen by Americans – except Detroiters.
They may have most of the same images as everyone else, but with a new twist that began in 1934.

That's when Detroiters and their outstate Michigan compatriots found themselves at the dawn of an unplanned behavior modification, courtesy of George A. "Dick" Richards, owner of the city's new entry in the National Football League: The Detroit Lions. - **Larry Paladino, Lions** Pride, 1993

Four generations of Detroiters have been a proud part of the American celebration of Thanksgiving. The relationship between Detroit and Thanksgiving dates back to 1934 when owner G.A. Richards scheduled a holiday contest between his first-year Lions and the Chicago Bears. Some 80 years later, fans throughout the State of Michigan have transformed an annual holiday event into the single greatest tradition in the history of American professional team sports. Indeed, if **football** is America's passion,

Thanksgiving football is Detroit's passion. The game was the brainchild of Richards, the first owner of the Detroit Lions. Richards had purchased the team in 1934 and moved the club from Portsmouth, Uhio to the Motor City. The Lions were the new kids in town and had taken a backseat to the baseball Tigers. Despite the fact the Lions had lost only one game prior to Thanksgiving in 1934, the season's largest crowd had been just 15,000. The apponent in 1934 was the undefeated, defending

World Champion Chicago Bears. The game would determine the champion of the Western Division. Richards had convinced the NBC Radio Network to carry the game coast-to-coast (94 stations) and additionally, an estimated 26,000 fans jammed into the University of Detroit Stadium while thousands more disappointed fans were turned away.

The game was the NFL's first on a national broadcast. In 2009, the Lions Thanksgiving Day game against

Green Bay marked the NFL's 75th anniversary of the first NFL national game broadcast. Graham McNamee was the announcer for NBC Radio for that historic game in 1934.

Despite two Ace Gutowsky touchdowns, the Bears won the inaugural game 19-16, but a classic was born. Since 1934, 83 games have been played with the Lions holding a 37-44-2 record in the series. And each game, in its own way, continues to bring back memories of Thanksgiving, not only to Lions fans, but to football fans across the nation.

THANKSGIVING DAY FACTS

➤ The series began Nov. 29, 1934 when Detroit played host to the Chicago Bears. In the first Thanksgiving Day game, the Lions were defeated by the Bears 19-16.

A total of 83 games have been played with the Lions pwning a 37-44-2 record in the annual holiday classic.

➤ More than 4 million fans have witnessed the Lions' 83 Thanksgiving Day games. The total attendance for the first 83 games is 4,692,045 an average of 56,530 fans per game. For the first time in team history, there were no făns in attendance for the team's 2020 Thanksgiving game, due to COVID-19 restrictions.

Detroit had won on Thanksgiving Day from 2013-16, marking the team's longest streak in the holiday classic since winning four-straight from 1997-2000.

The Lions have played 24 different teams since the first

Thanksgiving Day game. The most common opponent has been the Green Bay Packers, who the Lions played in 2013 for the 21st time in the Thanksgiving series. Their second most common opponent is the Chicago Bears (18 times),

The two highest scoring games were a 44-40 Packers' win in 1986 and a 52-35 romp over Green Bay in 1951. The lowest scoring game was a 12-0 Philadelphia win in the 1968 "Mud Bowl."

Fourteen times in the series has a game been decided by three points or less, with the Lions' record standing <u>at</u> 5-7-2 in those meetings.

➤ The most lopsided game was a 45-3 Lions win over

Pittsburgh in 1983.

Seven shutouts have been recorded, but only one by the

Lions (20-0 over the Bears in 1979).

Three Thanksgiving Day games have gone into overtime.

The first came in 1980 when the Bears' David Williams returned the opening kickoff of OT for a 95-yard touchdown. At the time, the game marked the shortest overtime game in NFL history (21 seconds). The second overtime game occurred in 1998 when the Lions defeated the Steelers 19-16 on a 42-yard Jason Hanson field goal in a game that will be remembered for the controversial countries before overtime began. The third controversial coin toss before overtime began. The third occurred against the Houston Texans in 2012 in a game categorized by back-and-forth possessions and two missed field goals from each side, with Houston K Shayne Graham pulling out a 32-yarder for the win.

HISTORY SECTION - UNIFORM HISTORY

@LIONSPR

2009-13: On April 20, 2009, the Detroit Lions unveiled a new comprehensive brand that included a new logo and new uniforms. As part of the new comprehensive brand, the Lions also introduced a new logotype and a new proprietary font, "NFL Lions." Later in 2012, the NFL launched its new partnership with Nike in April of that year. The Lions uniform featured the Nike logo but also the new Nike Elite 51 technology. The collar changed from black and silver piping to a solid blue.

Designed and engineered from the inside out, the Nike Elite 51 uniform focused on creating a system where the baselayer, padding, jersey and pant work in concert. New innovations included integrating Nike Flywire Technology into the neckline to reduce weight and provide lockdown fit over pads, increasing sleeve articulation for better range of motion, and integrating new four-way stretch fabrication to provide a streamlined shrink-wrap fit.

2014: Detroit Lions players wore a uniform patch from 2014-16, honoring late team owner William Clay Ford. Mr. Ford, who passed away March 9, 2014, purchased the Lions in Nov. 1963 and officially

became sole owner of the team Jan. 10, 1964. The Lions introduced the patch beginning with the regular season opener (September 8) on Monday Night Football at Ford Field when Detroit defeated the New York Giants, 35-14.

LIONS VISUAL IDENTITY

2017: On Feb. 1, 2017 the Lions once again updated the team's logo and typeface as part of a rebranding initiative that also included four new uniform options. The updated logo and typeface includes the removal of black from the brand identity, emphasizing the team's class color combination of Honolulu blue and silver that has been synonymous with the Detroit Lions since 1934.

HOME HONOLULU BLUE JERSEYS

The Lions new home jerseys remain Honolulu Blue, a color first established in 1934.

The numerals were developed and customized specifically for the Lions uniform based on the team's new logotype. They are now silver, trimmed in anthracite - the newest color to the Lions visual system, officially 'dark steel grey.'

The sleeves feature a silk-screened wide horizontal silver stripe, inside two smaller silver stripes. The wide stripe is stenciled with 'LIONS' on the right sleeve and 'WCF' is featured in front of blue and silver vertical bars on the left sleeve in honor of the team's previous owner, William Clay Ford, Sr.

Numerals (also silver) remain on the shoulders just above a silver Nike brand

'swoosh.'

➤ Players' nameplates on the back of the uniform are also silver (no trim) like each set of numerals.

ROAD WHITE JERSEYS

The road jerseys are the traditional "road whites," with blue numerals trimmed in dark steel grey. Sleeves are similar in style to the home uniforms except the striping is Honolulu blue.

The right sleeve features 'LIONS' screen-printed in white and the left sleeve again features the initials WCF with two vertical bars (Honolulu blue and silver).

 Players' nameplates on the back of the uniform are also Honolulu blue (no trim) like each set of numerals.

COLOR RUSH JERSEY

The new color rush jerseys are dark steel grey (anthracite) colored with white numerals trimmed in Honolulu Blue.

Sleeves are similar in style to the away uniforms with the Honolulu

Blue striping.

The right sleeve features 'LIONS' screen-printed in white and the left sleeve again features the initials WCF with two vertical bars (Honolulu blue and silver).

Players' nameplates on the back of the uniform are also white (no trim) like each set of numerals.

DETROTT LTONS

NFLOMG.COM

THROWBACK JERSEY

The throwback jersey replicates what the team wore in their inaugural season in Detroit (1934) which was the inception of 'Honolulu blue.' The jersey is solid Honolulu blue with silver traditional block numbers; there is no striping on the sleeves or numbers on the shoulders.

Players' nameplates on the back of the uniform are also

silver (no trim) like the numerals.

HELMET

> With the introduction of the new Lions logo, the helmet now features a slightly altered version of the new logo on each side. Instead of being outlined in silver, the outer border is Honolulu blue.

The facemasks are now silver.

>'LIONS' will be on the front bumper of the helmet and 'DETROIT' will be on the back bumper of the helmet in the new Lions logotype.

At the top middle of the helmet, the striping pattern has been modified to be the same striping pattern as the team's game pants except on a smaller scale.

PANTS AND GAME SOCKS

➤ Detroit's home game pants will remain in the team's traditional silver. Like the striping pattern on the helmet, the pants' vertical trim on the side of the legs are a thick Honolulu blue stripe inside smaller blue stripes.

Game pants for the away uniforms will be Honolulu blue with sliver striping patterned the same as the home

game pants.

For the team's color rush uniform, the pants will be dark steel grey (identical to jersey) with no striping.

The throwback uniforms will feature silver pants with

no striping.

The game socks, which are the same for the home, road and throwback uniforms, are now solid Honolulu blue. The socks will be dark steel grey for the color rush uniforms to match jersey and pants.

WHITE PANTS

 \triangleright In Week 2 of the 2021 season, the Lions donned an all-white look for the first time in the modern era. This marked the first time Detroit wore white pants in a game since at least 1950, and may have been the first time the Lions wore a white top, white pants and white socks in the same game.

The Lions have worn this monotone look multiple times

since its introduction.

The Lions selected RB Jahmyr Gibbs and LB Jack Campbell in the first round of the 2023 NFL Draft. Detroit had five selections within the first 70 picks of the draft for only the second time in franchise history and the first since 1976.

FRANCHISE TAG HISTORY

The franchise tag was first introduced in 1993, when the NFL's free agency and salary cap era began. Franchises are eligible to select up to one pending unrestricted free agent with the franchise tag, which is a one-year contract that guarantees a predetermined salary for players.

The salary amount is set by averaging the top five salaries by position for the previous league year, or if it's higher, 120% of a player's salary the previous season.

Detroit has rarely used the franchise tag since it's implementation.

Year	Pos.	Player	Tag Value
2018	DE	Ezekiel Ansah	\$17.10 million
2011	DE	Cliff Avril	\$10.6 million
2007	DT	Cory Redding	\$6.78 million
2006	T	Jeff Backus	\$6.98 million
5000	DE	Robert Porcher	\$4.25 million
1995	T	Lomas Brown	\$2.70 million
1993	T	Lomas Brown	\$2.58 million

Lomas Brown received the franchise tag in two of the first three seasons of its creation. He remains the only Lion and one of the only players in NFL history to receive the tag twice from the same team.

Lions Executive Vice President and General Manager Brad Holmes has executed 14 trades from March of 2021 through the completion of June of 2023.

On March 17, 2021, the Detroit Lions traded QB Matthew Stafford to the Los Angeles Rams in exchange for QB Jared Goff, a 2021 third-round draft pick, a 2022 first-round draft pick and a 2023 first-round draft pick.

This marked the first time in NFL history that former No. 1 overall picks were dealt in the same package for one another. Stafford went first overall to Detroit in 2009 out of Georgia and Goff went first overall to Los Angeles in 2016 out of California.

Stafford left the Lions as the team's all-time leader in all major passing categories, made one Pro Bowl and was voted the AP Comeback Player of the Year in 2011.

Goff left the Rams as a two-time Pro Bowl quarterback who guided L.A. to three playoff berths and an appearance in Super Bowl LIII.

In 2022, Goff earned his third-career Pro Bowl berth, becoming only the fourth Lions quarterback to do so. He guided the team to its first winning season in five years and set franchise records in TD/INT ratio (4.14) and interception rate (1.2%) while tying for the best passer rating in team history (99.3).

Doak Walker played for the Lions from 1950-55, earning five Pro Bowls, two NFL Championships and winning the 1950 NFL Rookie of the Year. His No. 37 uniform was the first number retired in franchise history, with Detroit doing so immediately after he retired in 1955. Walker was the fourth and final player to ever don the number for Detroit.

2009 MEN'S NCAA FINAL FOUR

The 2009 Men's Basketball Final Four finalized a process that included six years of planning with the ultimate goal of delivering a Final Four like no other, and the NCAA, Ford Field and the City of Detroit did just that. The cornerstone to the championship at Ford Field was the center stadium court and seating configuration that included customized risers and, for the first time, designated student sections. On the court, the Final Four featured Michigan State defeating Connecticut, 82-73, and North Carolina defeating Villanova, 83-69 in the semifinals. In the Championship, North Carolina beat Michigan State, 89-72, to claim the NCAA title.

The weekend kicked off as the Final Four Friday drew a record crowd with nearly 30,000 in attendance. The games were expected to establish new records, and they delivered. The National Semifinals set an all-time record with 72,456 fans, and the National Championship upped that amount when it drew 72,992. Overall, 145,378 fans attended the

Final Four, which also set a new record.

Although the primary focus of Final Four weekend was on the student athletes, the festivities surrounding the event livened up downtown Detroit. The ancillary events, like Hoops City, also drew record crowds over the fiveday period. The NCAA and the Detroit Local Organizing Committee worked together on several community outreaches, which included a new legacy program. In the Detroit community, new early learning and literacy centers were opened. All of this was made possible by the vision of Ford Field and the NCAA to take this event to new levels. In the end, the Final Four generated an estimated \$30-50 million impact on the city of Detroit.

2008 MIDWEST REGIONALS

Midwest Regionals, which included the Sweet Sixteen and Elite Eight rounds, were held March 28 and 30 in downtown Detroit for the first time, and both sessions set new preliminary rounds attendance records with 57,028 and 57,563 respectively for each session. A record of 114.591 was also established for both sessions. The excitement for the Midwest Regional was evident when 50,000 tickets were sold prior to the announcement of the 65-team tournament. Teams in the regional included Kansas (1 seed), Wisconsin (3), Davidson (10 seed) and Villanova (12 seed). Davidson upset Wisconsin,73-56, in the first game and Kansas defeated Villanova, 72-57, in the second game. The regional title was claimed by Kansas with a win over Davidson, 59-57, in a game that came down to the final seconds. The previous attendance record for a single regional game was 42,519. That mark was set at the Michigan State vs. Kentucky game in St. Louis' Trans

OUICK LANE BOWL

In 2013, the Detroit Lions entered into a six-year partnership with the Big Ten Conference and ACC to host a bowl at Ford Field. The inaugural game was played December 26, 2014 as Rutgers defeated North Carolina, 40-21.

The Lions also entered into a multi-year agreement with Ford Motor Company's Quick Lane Tire & Auto Center designating Quick Lane as title sponsor for the annual bowl game.

The Detroit Lions are now the only NFL team to own, host and operate a college football bowl game.

SUPER BOWL XL RECAP

In 2006, Ford Field and Metro Detroit sparkled as the international sports community converged for the NFL's championship game.

"Much changed for the city of Detroit in 25 years since the Super Bowl was played there last," said former NFL Commissioner Paul Tagliabue. "The energy of the city and the revival of downtown Detroit are evident. Detroit was a wonderful host and the hospitality exceeded expectations.

"From the media center and NFL headquarters at GM World Headquarters and the Renaissance Center, to the NFL Experience at Cobo Center, to the events at some of downtown's historic theatres, to the game at Ford Field, our fans, teams, business partners and media enjoyed their Super Bowl experience in Detroit."

NCAA CHAMPIONSHIPS

The 2009 NCAA Men's Basketball Final Four reached new heights in 2009 as Ford Field served as the host site for one of the year's biggest sporting events. It capped off two years of setting new standards for the men's basketball championships, which included attendance records for the Final Four, National Championship and preliminary rounds.

NCAA HOCKEY

In 2010 Ford Field elevated collegiate hockey to an alltime level when it hosted the NCAA Men's 2010 Frozen Four. In an area that shows great support annually for college hockey and several Division I programs in the state of Michigan, Ford Field, which was the largest stadium ever to host the Frozen Four, proved the ideal venue to provide access to more fans of college hockey's version of the Final Four than ever before.

For both the National Semifinals and National Championship, the crowds that gathered set new NCAA records and new world records for an indoor hockey game. Overall, approximately 19,000 more fans experienced the Frozen Four weekend than ever before. The first night of the Frozen Four, the National Semifinals, commenced as Ford Field established a new attendance record of 34.954. Wisconsin defeated Rochester Institute of Technology 8-1 and Boston College upended Miami 7-1. In the National Championship game, Boston College claimed the NCAA title by shutting out Wisconsin in front of a record crowd of 37,592. In total, 72,546 fans watched the Frozen Four at Ford Field.

LOOK AT THE PAST

On Nov. 16, 1999, a new era in Detroit Lions' history began when the team officially launched the construction of its new downtown Detroit stadium. In 2002, the Lions and the city of Detroit unveiled one of the most impressive sports and entertainment venues ever built.

The Lions' downtown home is an incomparable 64,500seat facility that includes a giant glass wall, revealing the picturesque Detroit skyline, and the old Hudson's Warehouse, originally built in 1920. The massive project encompasses a total of 1.85 million square feet of

development.

The old Hudson's Warehouse, a major cornerstone of Ford Field. houses most of the stadium luxury seats, pressbox, restaurants, food courts, lounge areas, banquet facilities, entertainment venues and commercial space. The inclusion of the warehouse into the stadium project allows the sightlines at Ford Field to be among the very best in the NFL. In fact, even the locker room facilities have been built in the basement of the seven-story historic Detroit structure.

Detroit played its first homé preseason game at Ford Field Saturday, Aug. 24, 2002 against the Pittsburgh Steelers. Almost one month later, the Lions celebrated the inaugural regular season game at Ford Field Sunday, Sept. 22 when they played host to their long-time divisional rival, the Green Bay Packers. The 2002 home opener marked the return of the Lions to downtown Detroit for the first time since 1974.

Wrestlemania was the highest grossing one-day live event in WWE history, and holding the event at Ford Field helped pump an estimated \$25 million into the local economy.

Besides events like the NCAA Final Four, Midwest Regionals and Frozen Four, Ford Field has also hosted prominent motorsports events, including the Monster Jam monster truck series and the AMA Amp'd Mobile Supercross 2004
